

THE CITY OF FREDERICK
BOARD OF ALDERMEN

RESOLUTION NO. 18-18

A RESOLUTION FOR THE PURPOSE OF ADDING DEGRANGE STREET AND A CERTAIN PORTION OF WISNER STREET TO THE AREA WHEREIN RESIDENTS ARE ELIGIBLE FOR RESIDENT PARKING PERMITS

Background

Section 13-24 of the Frederick City Code allows any person residing in the area defined by the Board of Aldermen to apply for a resident parking permit (metered and non-metered) for a passenger vehicle. That section also allows the Board of Aldermen to establish, by resolution, terms and conditions for the efficient operation of the resident parking permit program. On April 3, 2014, the Board of Aldermen adopted Resolution No. 14-07, defining areas covered and establishing regulations for the operation of the resident parking permit program. On June 13, 2018, the Parking Advisory Committee voted to recommend adding DeGrange Street and Wisner Street (between E. Patrick and E. Church Streets) to the areas covered.

NOW THEREFORE, BE IT RESOLVED by the Mayor and Board of Aldermen of The City of Frederick that the "Resident Permit Parking Program" document attached hereto and incorporated herein as Exhibit A, which adds DeGrange Street and Wisner Street between E. Patrick Street and E. Church Street to the Resident Permit Parking Program, is hereby adopted.

BE IT FURTHER RESOLVED that this Resolution supersedes Resolution No. 14-07.

ADOPTED AND APPROVED, the 1st day of November 2018.
