**Re: Zoning Determination 21-582ZD: Parcel 1: 02-166062, 322
Catocin Avenue**

To whom it may concern:

In response to your letter dated May 12, 2021, Staff has prepared the following information:

The subject property ("Property") is zoned GC (General Commercial). Per Section 404, Table 404-1 of the Land Management Code (LMC), the purpose of the GC District is to provide for a variety of retail use and services in free-standing parcels or shopping centers to serve the community's general commercial needs. This district shall only be applied at appropriate locations that conveniently meet these needs; conform to the goals, objectives and policies and locational criteria of the Comprehensive Plan; are compatible with the surrounding land uses and zoning districts; do not adversely impact the facilities and services of the City; do not set a precedent for the introduction of inappropriate uses into an area; and do not encourage non-residential strip development along streets.

There are no proceedings or active zoning or building code violation cases for the Properties on record at the City at this time.

If you have any further questions, please don't hesitate to contact me at (301) 600-4588 or skelly@cityoffrederickmd.gov.

The purpose of the service provided by the Zoning Administrator regarding determinations/interpretations is to identify the zoning of a particular property, to verify that a use is permitted or permissible in a specific Zoning District and to clarify and interpret the Land Management Code. Any questions regarding specific regulations and

requirements for a site or sites' compliance with the Land Management Code not addressed in this letter shall not be the responsibility of the Zoning Administrator. It is the responsibility of the applicant, property owner and/or property purchaser to review the project site plan and the Land Management Code for compliance.

This determination applies solely to the referenced property and is not binding upon the City, the Zoning Administrator or any other official with respect to any other property. No person may rely upon this determination with respect to any property other than the referenced property. Please be advised that any person aggrieved, or any officer, department or agency of The City of Frederick affected by an order, requirement, decision, or determination made by an administrative officer in the administration or enforcement of the provisions of the Land Management Code may appeal said decision within thirty days to the Zoning Board of Appeals.

Sincerely,

Sherry Kelly, AICP
