POLICE REPORT:

Police report – Cpl. Pecor & Ofc. Kowalsky were in attendance to answer any questions and to address previous concerns. Cpl. Pecor reviewed the speed box that was placed on Bel Aire. He said the average speed was 28.3 mph and that the 85% speed was below 33 mph. He said they will look at placing the box in the other direction as well as do some traffic enforcement in the area.

Cpl. Pecor said they have been doing some outreach in Lake Coventry Park and have made a few arrests. He also reminded residents to please lock your car doors as thefts from motor vehicles and thefts from garages still continues to be an issue.

A resident also asked about an incident at Creekside Apartments and here is the response from Cpl. Pecor: This is a follow-up for the request for information on the incident at Creekside Apartments that was discussed at the NAC meeting. A male approached the victims while they were walking in the area. The male was highly intoxicated and attempted to try to dance closely with one of the victims, bumping into them. The subject was later contacted by our Officers and became disorderly. He was arrested and slightly resisted the arrest. He was highly intoxicated and acting very bizarrely. This is an isolated incident and highly unusual.
