GUEST SPEAKER

Cherian Eapen - Engineering ceapen@cityoffrederick.com

Cherian was on hand to talk about crosswalks on Rosemont Avenue. Has to take into account width of City Street as well as age of the city and retrofitting the street. Do you use Magnolia, Fairview, or another cross street? A challenge is that none of the roads line up. One possibility is Rosemont/15 @ W. 2nd at the blue house by the Schifferstadt. Looking at revamping the area of Rosemont from Rt. 15 to Hood College. Possibly would add additional parking as well as dedicated lanes. Possible location for crosswalk is Fairview @ Rosemont. The next step is for Cherian to go to the Bicycle Pedestrian Advisory Committee for their opinion. Not sure when the funding for this would be approved.

Upper College intersection project could start next spring. It would improve sightlines. This project is funded.
